

Dr. Andrew V. Schally

CURRICULUM VITAE

PERSONAL

Name and Title: Andrew V. Schally, PhD, MDhc (Multi), D.Sc,hc
Distinguished Medical Research Scientist of the Department of Veterans Affairs
Head of The Endocrine, Polypeptide and Cancer Institute
Veterans Affairs Medical Center, Research Services (151), Miami
South Florida VA Foundation for Research and Education
Distinguished Leonard M. Miller Professor of Pathology
Miller School of Medicine, University of Miami
Professor, Division of Hematology/Oncology, Department of Medicine
Miller School of Medicine, University of Miami
Nobel Prize in Physiology or Medicine, 1977

Home Phone: (305) 740-5717

Office Phone: (305) 575-3477

Home Address: 3801 Collins Avenue
Mosaic Condo Unit 1506
Miami Beach, FL 33140

Citizenship: USA

Visa Type: N/A

HIGHER EDUCATION AND DEGREES

B.Sc., McGill University, Montreal, Canada	1955
Ph.D., McGill University, Montreal, Canada	1957
M.D.H.C., Tulane Medical School, New Orleans	1978
D.Sc.H.C., McGill University, Montreal, Canada	1979
M.D.H.C., D.H.C., D.Sc.H.C., D.Nat. Sc. H.C., 27 European and South American Universities	1977-2005

RESEARCH AND TEACHING RECORD; AND POSITIONS

Research Assistant: Department of Biochemistry, National Institute for Medical Research, Medical Research Council, Mill Hill, London England, December 1949-April 1952

Research Assistant: Endocrine Unit, Allan Memorial Institute for Psychiatry, McGill University, Montreal, Canada, May 1952-September 1957

Research Associate: Department of Physiology, Baylor University College of Medicine, Texas Medical Center, Houston, Texas, September 1957-July 1960

Assistant Professor of Physiology: Department of Physiology, Baylor University College of Medicine, July 1960-December 1962

Assistant Professor of Biochemistry, Department of Biochemistry, Baylor University College of Medicine, July 1960-December 1962

Associate Professor of Medicine: Department of Medicine, Tulane University School of Medicine, New Orleans, Louisiana, December 1962-July 1967

Senior Medical Investigator: The Veterans Administration, 1973-October 1999

Chief, Endocrine, Polypeptide and Cancer Institute: Veterans Affairs Medical Center, New Orleans, Louisiana, December 1962-August 2005

Professor of Medicine: Tulane University School of Medicine, Department of Medicine, New Orleans, Louisiana, July 1967-February 2006

Section Head of Experimental Medicine: Tulane University School of Medicine, Department of Medicine, New Orleans, Louisiana, 1980-February 2006

PRESENT APPOINTMENTS:

Chief, Endocrine, Polypeptide Cancer Institute Veterans Affairs Medical Center, Miami, FL	September 2005-Present
Distinguished Medical Research Scientist US Department of Veterans Affairs	October 1999-Present
Distinguished Leonard M. Miller Professor of Pathology Miller School of Medicine, University of Miami	September 2006-Present
Professor, Division of Hematology/Oncology, Department of Medicine Miller School of Medicine, University of Miami	February 2007-Present

Member of National Academies:

National Academy of Sciences (United States)
National Academy of Medicine of Mexico
National Academy of Medicine of Brazil
Hungarian Academy of Sciences (Honorary)
National Academy of Medicine of Venezuela
Academy of Sciences of the Russian Federal Republic
Polish Academy of Medicine (Honorary)
Mexican Academy of Science (Corresponding Member)
Royal Academy of Medicine of Spain

Member of the following Scientific Societies:

The Endocrine Society (US)
American Chemical Society
Sigma Xi
American Association for the Advancement of Science (Elected Fellow, 1-7-82)
Society of Biological Chemists
American Physiological Society
Society for Experimental Biology and Medicine
International Society for Research in Biology and Reproduction
Canadian Society of Endocrinology and Metabolism (Honorary)
Spanish Society of Fertility (Honorary)
Italian Society of Obstetrics and Gynecology (Honorary)
American Society for Reproductive Medicine
International Brain Research Organization (IBRO)
International Family Planning Research Association, Inc. (Honorary)
Chilean Endocrine Society (Honorary)
Mexican Association for the Study of Human Fertility and Reproduction (Honorary)
Mexican Society of Nutrition and Endocrinology (Honorary)
Academy of Medical Sciences of Cataluna and Baleares (Barcelona) (Honorary)
Endocrine Society of Madrid (Honorary)
Polish Society of Internal Medicine (Honorary)
Endocrine Society of Ecuador (Honorary)
Louisiana State Medical Society (Honorary)
Peruvian Endocrine Society (Honorary)
The Polish Institute of Arts and Sciences of America, Inc.
American Academy of Arts and Sciences
Peruvian Society of Endocrinology (Honorary)
Peruvian Society of Obstetrics and Gynecology (Honorary)
Peruvian Society of Matrimonial Fertility (Honorary)

Peruvian Society of Pediatrics (Honorary)
Spanish Association for the Prevention of Gynecological Cancer (Honorary)
Society of Medicine and Surgery of Rio de Janeiro (Brazil) (Honorary)
Argentina Society of Endocrinology and Metabolism (Honorary)
Latin American Society of Neuroendocrinology (Honorary)
Brazilian Society of Endocrinology and Metabolism (Honorary)
Medical Circle of Rosario (Honorary)
Group for the Study of Fertility and Endocrinology of Rosario (G.E.F.E.R.) (Honorary)
Obstetrics and Gynecology of Rosario (Honorary)
Hungarian Society of Endocrinology and Metabolism (Honorary)
Society of Polish Endocrinologists (Honorary)
Venezuelan Association for Research on Diabetes (Honorary)
Japan Endocrine Society (Honorary)
Tulane Medical Alumni Association (Honorary)
Musser-Burch Society (Honorary)
American Association for Cancer Research
American Peptide Society (Honorary)
Association of Military Surgeons of the United States
Academy of Medicine of Bahia (Honorary)
Mexican Society of Urology (Honorary)

AWARDS:

Senior Research Fellow of the U.S. Public Health Service, July 1, 1961 - December 1962.

Van Meter Prize of the American Thyroid Association for work on thyrotropin releasing hormone (TRH), 1969.

Ayerst-Squibb Award of the U.S. Endocrine Society for special and outstanding research in the field of endocrinology, especially the isolation, determination of structure and synthesis of thyrotropin releasing hormone (TRH), 1970.

William S. Middleton Award, the highest award in the Veterans Administration, for outstanding achievement in medical research, 1970.

Luis Guerrero Lecture Award, University of St. Thomas, Makati, Manila, Philippines, October 1971.

Senior Medical Investigator appointment of the Veterans Administration, 1973.

Charles Mickle Award of the Faculty of Medicine, University of Toronto, for outstanding advances "of practical value in medical sciences," within the previous ten years, 1974.

Gairdner Foundation International Award, Toronto, Canada, for outstanding work on the identification, synthesis and clinical application of hypothalamic releasing hormones, 1974.

Edward T. Tyler Award for contributions to the advancement of medical knowledge in the field of human infertility and induction of ovulation, 1975.

Borden Award of the Association of American Medical Colleges for outstanding research in medicine, 1975.

Albert Lasker Basic Medical Research Award of the Albert and Mary Lasker Foundation, for contributions to the isolation, structure, determination and synthesis of hypothalamic hormones, 1975.

Laude Award, of the Spanish Pharmaceutical Society, awarded 1977 for the "best foreign investigator in the world." 1975

Nobel Prize in Physiology or Medicine, 1977.

National Academy of Medicine, Gold Medal, in recognition of contributions to the progress of Medical Sciences (Mexico).

Medal of Scientific Merit, Federal University of Ceara, Brazil, 1977.

First Diploma of Merit of St. Luke, awarded by the clinic of the Foundation of Social Pioneers, Rio de Janeiro, 1977.

AFA/Veterans Administration Employee of the year, 1978.

Perspectives Achievement Award, awarded by Perspectives, Inc., a Polish-American Educational and Cultural Bi-Monthly , 1978

Exceptional Service Award and Medal, highest honor in the Veterans Administration, 1978.
Rennebohm Lecturer, University of Wisconsin School of Pharmacy, in recognition of scientific distinction, 1978.
Golden Plate Award of the American Academy of Achievement, 1978.
Ideal Society Award of the American Foundation for the Science of Creative Intelligence for research and developmental work in the field of neurochemistry, 1978.
First Distinguished Lecturer in Medical Sciences, awarded by Mayo Graduate School of Medicine, 1978.
Honorary Alumnus of the Tulane Medical Alumni Association, for outstanding work in the medical field, 1978.
Gold Medicus Medal of the Millennium of Poland, 1978, Polish-American Medical Society.
Man of the Year, Gold Award of the Polish-American Medical Society, in recognition of scientific achievements in the fields of biochemistry, physiology and medicine, 1978
Professor Honoris Causa, Faculty of Medicine of A.B.C., São Paulo, Brazil, August 1978.
National Decoration of Merit, Commander's Grade, awarded in Ecuador, 1979.
Medal of the 500th Anniversary of the Copernicus Medical Academy of the Jagellonian University, Cracow, Poland, May 1979.
Decoration of the Cross Commander of the Instituto de Cultura Hispanica, Spain, May 1979.
Blue Cross - Gold Category - of the Social Security Hospital System of the Ministry of Health of Spain for special service to medicine of Spain, May 1979.
Ordem do Merito Judiciario do Trabalho, with insignia of the Gold Cross high decoration in Brazil), August 1979.
Ordem Nacional do Cruzeiro do Sul (Brazil's highest decoration), August 1979.
Distinguished Lecturer, Wesleyan University, May 1979.
AMVETS Rehabilitation Award (American Veterans of WWII, Korea, Vietnam), 1980.
Robert B. Greenblatt Annual Lecture Award, Medical College of Georgia, September 1981.
AMVETS, 1981 Silver Helmet, Civil Servant of the Year Award.
American College of Advancement in Medicine for pioneering insights into the hormonal mechanisms of diseases and their treatment, May 1988.
The Heath Memorial Award from the M.D. Anderson Cancer Center, Houston, Texas for development of new methods of cancer therapy (cancer patient care by the clinical application of basic cancer knowledge), November 1989.
Association of Military Surgeons of the United States (AMSUS) Sustaining Membership Award, November 1991.
Order of Andres Bello, 1st Class, Ministry of Education, Caracas, Republic of Venezuela, October 1992.
Golden Medical Medicus Magnus, Polish Academy of Medicine, Warsaw, Poland, May 1995.
Award from Instituto Mexicano del Seguro Social (IMSS), Mexico, for contributions to development of Endocrinology in Mexico, November 1997.
Roy H. Benke, M.D., Distinguished Lecturer, University of South Florida, February 1997.
Award from the Department of Veterans Affairs for lifetime of service to veterans, May 8, 2000.
Légion d'Honneur, Chevalier Grade, France, June 2004.

Meritorious Service Award, Department of Veterans Affairs, Washington, DC, May 2008 ;

HONORARY DEGREES:

Professor Honoris Causa, ABC University Faculty of Medicine, Federal Republic of Brazil, 1975.
Doctor Honoris Causa of the State University of Rio de Janeiro, 1977.
M.D. Honoris Causa of Tulane University School of Medicine, 1978.
Doctor Honoris Causa of the Universidad Peruana "Cayetano Heredia," Lima, Peru, 1979.
Doctor Honoris Causa of the Universidad Nacional Mayor de San Marcos, Lima, Peru, 1979.
M.D. Honoris Causa of the Universidad Nacional "Federico Villarreal," Lima, Peru, 1979.
M.S. Honoris Causa of the Medical School of Cadiz, University of Sevilla, Cadiz, Spain, 1979.
M.D. Honoris Causa Copernicus Medical Academy of the Jagellonian University, Cracow, Poland, 1979.
Doctor of Science Honoris Causa, McGill University, Montreal, Canada, November 1979.
Doctor Honoris Causa, Universidad Nacional de Rosario, Argentina, November 1979.
Doctor Honoris Causa in Medicine, University of Chile, Santiago, Chile, November 1979.
M.D. Honoris Causa University of Buenos Aires, Argentina, 1980.
M.D. Honoris Causa University of Salamanca, Spain, 1981.

M.D. Honoris Causa Complutense University, Madrid, Spain, June 1985.

M.D. Honoris Causa University Medical School, Pécs, Hungary, August 1986.

Doctor of Science Honoris Causa, Sorbonne, Paris, France, December 1987.

Doctor in Natural Sciences h.c., University of Regensburg, Germany, June 1992.

M.D. Honoris Causa, Autonoma University of Madrid, Madrid, Spain, September 1994.

M.D. Honoris Causa, University de Alcala de Henares, Madrid, Spain, May 1996.

Doctor Honoris Causa Natural Sciences, Paris Lodron University of Salzburg, Salzburg, Austria, May 1997.

Doctor Honoris Causa, Faculty of Medicine, Federal University of the State of Rio Grande do Sul, Porto Alegre, Brazil, December 1998.

Doctor Honoris Causa, La Universidad Nacional Autónoma de Mexico, Mexico City, Mexico, September 2001.

M.D. Honoris Causa, University of Malaga School of Medicine, Malaga, Spain, October 2002.

Doctor Honoris Causa, Federal University of Rio de Janeiro (UNIRIO), Brazil, December 2002.

Doctor Honoris Causa, University of Athens, Greece, 2003.

M.D. Honoris Causa, University of Milan, Italy, 2005

EDITORIAL BOARDS:

Editorial Board, Proceedings of the Society for Experimental Biology and Medicine, 1973-1993.

Advisory Editorial Board, Life Sciences, 1978-present.

Editorial Board, The Prostate, 1984-present.

Editorial Board, International Journal of Fertility, 1987-1993.

Editorial Board, Urology/Nephrology Digest, 1989-present.

Editorial Board, Annals of Medicine, Finland, 1992-present.

Editorial Board, PEPTIDES, and International Journal, 1993-present.

Editorial Board, Biomedicine and Pharmacotherapy, 1993-present.

Editorial Board, International Journal of Oncology, 1994-present.

Editorial Board, International Journal of Molecular Medicine, 1997-present.

Editorial Advisory Board, Current Pharmaceutical Design, 2003-present.

PUBLICATIONS

A grand total of over 2,200 publications to date.

Articles, book chapters and abstracts are available upon request.
